Social activities calendars are available at each Aurora Center, or via our website **www.auroraservices.org.** Special events will be posted at each center where the consumer may decide to participate by signing up for the event. Participation is encouraged in all activities and sleeping is not considered an activity and will not be tolerated at any of the Aurora Centers. All consumers must attend the daily morning meeting, monthly member meeting, and any special guest speaker seminars if they are in attendance at the times these events occur. Consumers are encouraged to express their ideas, suggestions, and concerns at the monthly member meeting where the Program Coordinator will listen and may incorporate them into the monthly activity calendar. The Executive Director will determine the appropriateness of the activity or special event that is being requested.

4. Case Management:

We want our consumers to understand that we do not keep any information confidential from your case management services providers. Aurora Social Rehabilitation policy is to communicate all information to the best of our ability with the consumer's Case Manager, Personal Care, CRR, Dom Care, and LTSR Providers as needed.

5. Attendance, Dress and Health:

Attendance at any of the Aurora Centers is contingent upon the consumers being clean, neatly dressed and free from any contagious sickness, infestations, and also persistent incontinence. For any of the above issues and/or other medical concerns a consumer may be suspended and a doctor or extermination notice will be required before the consumer may return to the Center. Tank tops, halter tops bare midriffs, clothing with offensive wording, or torn garments are not appropriate. Any consumer not appropriately dressed will be directed to go home and change clothes.

6. Image Release:

By signing this Orientation Manual Acceptance Agreement, the consumer understands they may be photographed or videotaped from time to time and will not receive any remuneration in the event these images are used by the Aurora Center for promotional purposes. They also understand that they may be identified as a consumer of the agency and if they do not want their image taken or reproduced they will not participate when an event is being photographed or videotaped.

7. Personal Care, CRR, Dom Care and LTSR Providers:

It is Aurora's responsibility to keep every consumer safe while at our Center. Unfortunately, situations may arise that require you to have an alternate way home other than Share-A-Ride, County or Public Transportation. Since we are unable to transport you back to your residence we need the full cooperation of you and your staff to pick you up if necessary. It will be your responsibility to let them know about this policy by having them also read this manual. Upon your signature you are agreeing to comply with this important portion of the Orientation Manual.

8. Emergency Removal from Aurora Center:

In the event Aurora Staff deems it necessary to remove a consumer from the Center for medical reasons we require that an updated Consumer Information Sheet accompany you to your destination. For this reason, it is mandatory that a Consumer Information Sheet be completed and updated regularly to ensure accuracy. In addition, if an ambulance service is requested by staff and refused by the consumer you will still be asked to leave the center on your recognizances.
